THE FOURTEENTH, FIFTEENTH
SIXTEENTH AND SEVENTEENTH
CENTURIES, and contained in the collec-

M C M I

TWO HUNDRED AND FIFTY COPIES OF
THIS CATALOGUE HAVE BEEN PRINTED,
OF WHICH THIS IS NO. 225

Appl. Harkins

THE NEW
DUE TO
F142707

THE CATALOGUE is issued as a list of photographs of Italian masters in a private collection, and has been printed for the convenience of the owner and for the use of the comparatively few students of Italian Art. The significant numbers in brackets in the heading are intended to facilitate the finding of photographs. The photographers' names are nearly all abbreviated, as follows:

Al., Alinari, Florence	Ma., Marcozzi, Milan
Br., Brogi, Florence	Ang., Angerer, Vienna
Na., Naya, Venice	Ha., Hanfstaengl, Munich
Lom., Lombardi, Siena	Tam., Tamme, Dresden
An., Anderson, Rome	Ne., Neurdein, Paris
Mo., Moscioni, Rome	Sp., Spooner, London
Val., Valentine, London	

If it be desired to obtain any of the photographs, the numbers should always be looked up and verified in the several catalogues of the photograph publishers, as numbers are constantly changing, and there is a liability of error in lists of this kind. It is hoped that those who may receive this Catalogue will communicate any special or interesting lists of photographs which they may possess or know of, and also report any errors which they may find.
